TEXT TEXT:

[FBIS Translated Text] Azeri scientist says aliens have

APPROVED FOR RELEASE
DATE: JUL 2002

"research bases" in Caspian Sea

Text of unattributed report by Azerbaijani newspaper 525 gazet
*on 25 August entitled "A flying saucer appears over the Caspian
again"

* Unidentified flying objects have become more active over the
Caspian Sea. Last week, residents of some villages near Baku
sighted alien objects again. Some villages even had blackouts when
*UFOs flew over the Caspian Sea.

According to information given to Olaylar news agency by Fuad
Qasimov, head of the seismology department of the Azerbaijani
*National Aerospace Agency, UFOs have research bases in the Caspian.
It is possible to observe them mainly over the villages of Pirsagi,
*Nardaran and Suvalan. Apart from the Caspian, UFOs have bases in
the Black Sea, the Mediterranean, Iran, Africa and in several
American states. Qasimov said that the latest event was filmed on
amateur video.
